8th September : Nativity of the Virgin Mary

This feast day celebrates the birth of the Virgin Mary the mother of Jesus.

It is celebrated nine months after the feast of the Immaculate Conception, meaning that Mary did not have the stain of original sin on her soul.

There are celebrations in September in different parts of the world.

In France, this time of year is celebrated as 'Our Lady of the Grape Harvest' and in different parts of India there are different customs, including holding festive meals and showering flowers on a statue of Mary.
